Chika Amaechi Anya

Senior Full-Stack Developer | Next.js, NestJS, Spring Boot & AI Integration Specialist

amaechichika9@gmail.com · +234 901 114 0929 · Nigeria

SUMMARY

Senior Full-Stack Developer with 9+ years of experience architecting scalable, mission-critical software across fintech and enterprise sectors. Expert in delivering end-to-end solutions using a modern stack (Next.js, NestJS, Spring Boot, Flutter). Proven track record in designing multi-tenant SaaS architectures, integrating LLM-driven AI features (OpenAI/Gemini), and optimizing database performance. Adept at translating complex business requirements into high-performance, secure, and user-centric web and mobile applications.

SKILLS

Next.js • React • TypeScript • JavaScript • NestJS • Node.js • Java • Spring Boot • REST APIs • GraphQL • Flutter • Dart • PostgreSQL • MySQL • MongoDB • OpenAI API • Google Gemini • LLM Integration • AI Feature Engineering • Multi-Tenancy SaaS • Docker • Cloud Deployment • Git • Linux • Tailwind CSS • Network Architecture • Cybersecurity

EXPERIENCE

Information Technology Consultant — Robernix Industries

2024 – 2026

Advise C-suite leadership on technology strategy, cloud infrastructure, and enterprise software adoption. Directed end-to-end deployment of enterprise systems, achieving 100% data integrity during zero-downtime migrations.

Freelance Software Developer & Designer — Self-Employed

2025 – 2026

Engineered full-stack applications and custom SaaS tools for 50+ clients. Integrated AI-driven features using OpenAI and Gemini APIs to enhance application utility and user experience.

IT Officer — Enis Group

2023 – 2024

Engineered and maintained multi-site network environments and surveillance systems. Provided L1/L2 technical support and optimized system uptime through proactive troubleshooting.

Software Engineer — Start Innovation Hub

2021 – 2023

Architected and deployed scalable production web applications using Next.js and NestJS. Specialized in building multi-tenant SaaS platforms and implementing AI-driven features for enhanced product functionality.

IT Officer — Megalectrics

2020 – 2021

Managed IT infrastructure for 100+ staff. Oversaw procurement, hardware/software deployment, and enforced enterprise-wide cybersecurity protocols.

Software / IT Specialist — LockTech

2017 – 2018

Developed internal tools and automated reporting scripts to streamline business operations. Configured network architecture and performed enterprise hardware installations.

EDUCATION

Accra Institute of Technology

B.Sc., Information Technology & Network Systems
